## REINDEER GAMES: Game Instructions

### Game 1 (Elf Breakfast Challenge)

- Have team's select 1 team representative (only 10 at a time)
- Have students make their spaghetti
- Start the game & then select your final 10
- Student with the fastest time wins

### Game 2 (Gift Wrap & Unwrap Challenge)

- Each table will have 10 pre-cut wrapping papers
- On the command "GO" the first student will go
- Then the next...until the entire table has wrapped & unwrapped their gift
- First table that gets all presents wrapped & unwrapped wins
- The twist to the game is that they can only do it with one hand
- The only time that another teammate can help is by ONLY holding the tape dispenser
- The wrapping must cover the entire gift

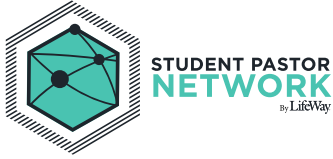

### Game 3 (Antler Game)

- Each student will have 1 pair of panty hose
- Have students select 1 person that will wear the antlers & rush up on stage to sing "Rudolph the Red nose."
- Each person will have to blow up a balloon about the size of the palm of their hand
- First team to fill up each antler with ten balloons & sing on stage wins

### Game 4 (Reindeer Dropping Game)

- Each table will have enough reindeer droppings for each player on the team
- Have team designate who will begin the game
- On the command "GO" the first student will un-wrap the dropping & toss into their mouth
- Rules are: You can't chew the dropping, it must be sucked the entire time
- Once the first student finishes sucking down their entire dropping then, the next student go
- First team to have all their dropping eaten wins

## Game 5 (Deck your Tree)

- Each table will select 1 artist that will decorate the entire team & 1 runner
- Several stations will be spread out throughout the room with materials for decorating
- On the command "GO", the runner will race around the room to collect supplies
- Runner can only pick up 1 decorating item at a time
- Team has 7 minutes to gather supplies and decorate the entire team
- Judges will go around the room to select the winner

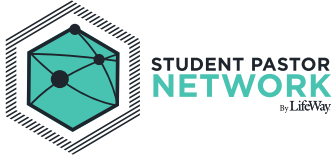

## Game 6 (Christmas Cookie Challenge)

- Each student will have 1 Oreo or Cookie
- Have team designate who will begin the game
- On the command "GO", the first student will place the cookie on their forehead
- The idea of the game is without dropping the cookie to work it down to the mouth
- Students cannot use their hands but they do have as many tries as they can
- After the first person gets it into their mouths the next student goes until the entire team has successfully eaten the cookie
- First team to have all their students successfully work the cookie into their mouths wins

## Game 7 (Reindeer Race)

- 10 teams will line up first behind their sled
- On the command "GO" the teams will race to the finish line
- At each marker, a different teammate has to hop on the sled
- Best time wins the event
